## **ERIC MCDAVID**

**was arrested as part of  
the Green Scare and  
has been held in total  
seperation without bail  
in Sacramento County Main  
Jail since January 13.**

Eric McDavid was arrested in Auburn, CA on January 13, 2006 as a part of the recent “green scare.” Eric, Zachary Jenson, and Lauren Weiner were charged with conspiracy to destroy property with the use of explosives based solely on the word of a paid FBI informant.

Eric maintains his innocence, while Lauren and Zach are both now cooperating with the government and are considered government informants. Eric is facing up to 20 years in federal prison for a crime that was never committed.

Eric has been repeatedly denied bail and is currently in custody at Sacramento County Main Jail. He is being held in Total Separation – meaning he only gets to leave his cell for a few hours per week and receives very little contact with the outside world. Letters, books, pictures, poetry, and notes of encouragement from friends and supporters help keep Eric’s spirits up during these trying times. Please take the time to send him a note of support! Keep in mind that all mail is read by authorities. Please do not discuss his case, charges or issues relating to either. For more info on mail regulations, please visit Eric’s support page.
